

FORTRESS ROOFING & EXTERIORS LTD.

Sub-Contract Trade Personnel

Fortress Roofing strives to be above average in the exterior contracting industry. We believe that this is only accomplished by hiring the best tradespeople, whom we carefully select. We are looking to hire sub-trades in the following areas: roofers, siders (vinyl and hardie), stucco installers and painters.

If you are currently looking to take on additional contracts and meet the requirements below – please fill in our online trade application. If your application is successful we will contact you to discuss work possibilities. Due to seasonal variance, if work is not available for you at the time of application, we will add you to our network of preferred vendors for upcoming projects.

The following information outlines the requirements of our Sub-Contract Crews:

All crews must meet the following minimum criteria:

1. Be in possession of a current City of Calgary business license.
2. Have a designated Crew Supervisor who will be on jobsites at minimum 75% of the time
3. Have a minimum 2 million liability insurance
4. Have own vehicles that are clean, free of collision damage and in sound mechanical condition
5. Have own tools, ladders and other equipment in good working order
6. Have all PPE Equipment required by OH&S Safety Standards
7. Ensure that all workers are made fully aware of and comply with all company procedures and strictly adhere to the building code standards of Alberta or BC (based on job location)
8. Ensure all workers have up to date fall protection and first aid certification
9. Be covered by WCB on all workers, and provide a clearance to Fortress Roofing & Exteriors Ltd. on each pay period cutoff date.

In addition to the requirements above, workers will be required to complete a Sub Contractor Agreement and provide proof of all certifications prior to receiving their first work order. All crews must comply with OH&S safety procedures including the use of protective equipment and process involved to complete daily hazard assessments, tool box meetings, fall protection plans and other documents as required.

As a member of the Fortress team, you will be part of a great organization that takes pride in every aspect of job completion. Feel good about what you do and the company you represent! Fill out our online trade application now to begin the application process.
